Re: Spectrum Policy Task Force Report; WT Docket No. 02-135

Dear Ms. Dortch:

On January 23, 2003, Laura Smith and Jeremy Denton of the Industrial Telecommunications Association, Inc. (ITA) met with Jennifer Manner, Legal Advisor to Commissioner Kathleen Abernathy, to discuss the above-referenced *Public Notice* seeking comments on the Spectrum Policy Task Force Report.

At the meeting, ITA noted the importance of private wireless systems and their need for regulation under a command-and-control spectrum use model. ITA also noted the opportunities to promote flexibility and secondary markets under such a model, while also protecting the licensees from the possibility of interference.

If there is anything I may do to further assist the Commission, please do not hesitate to contact me.

Sincerely,

/s/ Jeremy Denton
